The Third Heaven: The Rise of Fallen Stars Book 1(2013)

The prequel to the Bible is here!

We have always thought Hell was created for man...we were so wrong.

The Third Heaven: The Rise of Fallen Stars is book one of a four part series that explores the fascinating story of the Fall of Lucifer.

Lucifer was God's perfect creation. Yet he rose up to betray the Lord and bring Heaven itself to civil war.

Many tales have referenced this great angelic war but few have sought to explore the behind the scene relationships between God and the angelic hosts. Why did a third of Heaven seek to overthrow their creator?

See Lucifer and his actions in a light never before seen. Journey back to the beginning, and see the drama unfold before your eyes: as allegiances are broken; choices made, and why all of creation waits for the manifestation of the sons of God!

See the back-story to mankind's own story, in this powerful, gripping tale of angels at war.

Yet a conflict eats at him as he wrestles with his sworn duty to Heaven and his obedience to God; torn over a vision of a future revealed by the Creator himself--a future that shows the death of God.

Will Michael succumb to a darker path that once more would plunge Heaven into civil war or will he trust and yield to the revealed will of God?

The Third Heaven: Realm of the Dead Book 3(2016)

'The Son of Man Will Be Three Days and Three Nights in the Heart of the Earth'

Lucifer holds captive the archangel Talus as a prisoner of war. Will Lucifer's powers of temptation and torture, turn his brother to his cause? Or will Talus remain faithful to the end?

Meanwhile, Jerahmeel and Michael's relationship is put to the test over the deserter Iblis. A traitor Michael has allowed back into Heaven, thus exposing the realm to El's judgement. A decision that forces the newly appointed chief prince to come to terms with his own past. A past breach so startling that if healed, could unite the Seraph, Elohim, and Ophanim in common cause against Lucifer and the Horde...or once more plunge Heaven into civil war.

A truth so powerful that it forces Enoch, Gabriel, and Metatron to pass through the realm of Limbo to search out the only other man in all of Heaven who can help unite the celestial hosts...Elijah.

Meanwhile Yeshua's presence on Earth wreaks havoc on Lucifer's kingdom, but the Prince of Darkness will see Him undone as the physical body of the Son of God is slain by crucifixion, sending Yeshua's spirit to Hell; and for three days and nights, the fate of both Heaven and Earth hang in the balance.

Will Lucifer finally win the prize he covets?

Experience the fascinating journey of the Son of God in the underworld, and marvel anew at the love of God, the spoiling of the Enemy, and the Lord's triumphant victory over Death, Hell and the Grave!
